

# Nasher Sculpture Center

Spring 2018  
Homeschool Workshops

Dear Parents,

We are pleased to announce the spring lineup of homeschool workshops at the Nasher Sculpture Center. We offer two types of workshops. The first, for students ages 5-12 will encourage critical thinking and creativity as parents and children learn together, while the workshop designed for students 13-17, will provide insight and enrichment at a teen-appropriate level.

Families who register after a workshop has filled will be added to a waiting list.

We look forward to seeing you this spring!

Anna Smith  
Curator of Education
