Dear Parents,

We are pleased to announce the fall lineup of homeschool workshops at the Nasher Sculpture Center. We will offer two types of workshops. The first, for students ages 13-17, will provide insight and enrichment at a teen-appropriate level while the other designed for students ages 5-12, will encourage critical thinking and creativity as parents and children learn together about world-class artworks and artists.

Our workshops tend to fill quickly, so plan to register early! Families who register after a workshop has filled will be added to a waiting list.

We look forward to seeing you this fall!
