**About the Nasher Sculpture Center:**

Open since 2003 and located in the heart of the Dallas Arts District, the Nasher Sculpture Center is home to one of the finest collections of modern and contemporary sculptures in the world, the Raymond and Patsy Nasher Collection, featuring more than 300 masterpieces by Calder, Giacometti, Matisse, Picasso, Rodin, and more. The longtime dream of the late Raymond and Patsy Nasher, the museum was designed by world-renowned architect Renzo Piano in collaboration with landscape architect Peter Walker.

Hailed by the "USA Today" as one of the great sculpture gardens where art enhances nature, the roofless museum seamlessly integrates the indoor galleries with the outdoor spaces creating a museum experience unlike any other in the world. On view in the light-filled galleries and amid the landscaped grounds are rotating works from the Collection, as well as blockbuster exhibitions and one-of-a-kind installations by the most celebrated artists of our times. In addition to the indoor and outdoor gallery spaces, the Center contains an auditorium, education and research facilities, a cafe, and a store.

The Nasher brings the best of contemporary culture to Dallas through special programs designed to engage visitors, including artist talks, lecture programs, contemporary music concerts, educational classes and exclusive member events.

The Nasher Sculpture Center is open Tuesday through Sunday from 11 am to 5 pm and until 11 pm for special events, and from 10 am to 5 pm on the first Saturday of each month. Admission is \$10 for adults, \$7 for seniors, \$5 for students, and free for members and children 12 and under, and includes access to special exhibitions.
