

Virtual Field Trips

Nasher Virtual Field Trips are FREE, interactive experiences that connect students with incredible works of art as they learn about themes that relate to their daily lives and school curriculum.

Students said they loved it! THAT's huge! They never say that! -Teacher Feedback

- Virtual Field Trips can be presented via videoconference to **students in a classroom setting** or **students logging in from home**.
- Virtual Field Trips may be **30, 45 or 60 minutes in length** to fit your teaching schedule.
- Each Virtual Field Trip includes **active looking, critical thinking and activity prompts** that can be completed in the classroom or from home.
- Virtual Field Trip participants will receive a code for **free passes to visit the Nasher Sculpture Center** with their families.
