The Nasher Sculpture Center's Student Advisory Board is an opportunity for your voice to be included in Nasher Education Programming.

The Student Advisory Board meets **once a month on Thursdays from 5:30 to 7 pm** at the Nasher Sculpture Center in the Downtown Dallas Arts District. Participants work together with Nasher staff to develop ideas for student programs and take part in unique learning opportunities at the museum.

Applications for the 2017-18 school year will be accepted through **September 8, 2017**.

Who should apply?

The Student Advisory Board is open to students enrolled in grades 9 through 12 who are active participants in art or art history classes. Applicants should have independent interests in the arts and a desire to share their insights with others. An ideal applicant will have a positive attitude, work well with other students, and be committed to attending at least three meetings per semester.

What are the benefits?

- The program is free to participants.
- Student Advisory Board members will receive a Student Membership to the Nasher.
- Participants will have the opportunity for behind-the-scenes experiences at the museum and will work closely with museum staff.
