

PROVOCATIONS: THE ARCHITECTURE AND DESIGN OF HEATHERWICK STUDIO

Dear Parents,

We are pleased to announce the fall lineup of homeschool workshops at the Nasher Sculpture Center. We will offer two types of workshops. The first, for students ages 13-17, will provide insight and enrichment at a teen-appropriate level while the other designed for students ages 5-12, will encourage critical thinking and creativity as parents and children learn together about world-class artworks and artists.

Our workshops tend to fill quickly, so plan to register early! Families who register after a workshop has filled will be added to a waiting list.

We look forward to seeing you this fall!

Curator of Education

DESIGN DECTIVES*

September 26 / 1 pm - 3 pm
Ages 13 – 17

What if...? How can...? Why not...? Great questions are at the heart of great design. Discover how architect and designer Thomas Heatherwick uses questions to investigate and reimagine the world around him, then challenge yourself to reinvent an everyday item.

**This workshop is for the ages listed above. There will not be a break out session for younger students.*

DESIGN ALL AROUND

December 10, 11 and 12 / 10 am – 12 pm
Ages 5 – 12

Did you know that many of the objects you see every day were designed by someone who thought about how they should look and function? The buildings you visit, the clothes you wear, the cards you mail, and even your favorite chair all came from the mind of a designer. Join us as we explore the work of British designer Thomas Heatherwick, and create your own innovative holiday card based on his work.
