This artwork is named after a city known for its automobile races and is filled with twists and curves that resemble a racing course.

Think of your own favorite sport. What kinds of lines would you use to show the motions made by the athletes?

Draw lines and shapes inspired by your sport on cardboard, paint the pieces bright colors then cut them out and layer them to make a 3-D painting.

Frank Stella, *Diepholz II*, 1982. Mixed media on aluminum and fiberglass, 106 1/2 x 120 x 24 in. (270.5 x 304.8 x 61 cm.). Raymond and Patsy Nasher Collection, Nasher Sculpture Center, Dallas, Texas.
