

Indulge your senses
with the

Nasher Scavenger Hunt

Thank you for joining us at our free 'til Midnight event for the Nasher Scavenger Hunt. Use your senses to experience the art — follow our hints, write down all five answers and present them to our Visitor Experience team.

Winners are rewarded with tickets to the Nasher Sculpture Center.

1 We invite you to **touch** our memory book at the front desk. Sign your name and find the next clue. Look for a photo of the Richard Serra sculpture: what's the name of this piece by Richard Serra?

2 Congrats! You found the title of this 1987 masterpiece hidden in plain **sight**. Where might you go to make your curves happy?

3 It **smells** good in here; whose cookin'?

4 In Gallery II, you'll find you have great **taste** if your favorite color is cobalt. What is the name of the artist utilizing such a prominent pigment?

5 The last stop is the Public Gallery, where you'll find 'Nasher Public: Robert Barsamian.' What is the name of the instrument you may **hear** Kayla Liptak perform on September 24th?

Bravo! Your dedication and keen senses have won you a prize! Provide all five correct answers to our Visitor Experience team to receive your reward.

Let your senses guide you on new adventures as you continue to appreciate the beauty of the art that surrounds us.
