ELECTRICAL WALKS

KØBENHAVN 04.09.09 - 19.09.09

- 1** JAZZ Kælderen
Pick up your headphones. Listen to the security gate at the entrance to the shop. Be careful, it can be quite loud if you walk alone.
- 2** SIGNAL
Security gate. If you want to enter a shop, turn off and take off the headphones as the gates get louder the closer you get. Please handle the headphones with care along the route.
- 3a** 3b ESPRIT
Listen to the security gates.
- 4** SPARKZ
Security gates continued.
- 5a** 5b 5c SOAKED IN LUXURY, KØBEN MILEN, FRENCH CONNECTION
Walk up and down between these three very different sounding security gates.
- 6** ILLUM
Listen to the security gate at the corner entrance. Then turn right and walk down Sillegade.
- 7** PARKING HOUSE
Stop at the rear end of the parking house entrance, in the very corner to the left of the window with the sign: NO SMOKING. Move your head from left to right in the very corner to the left of the window.
- 8** SILLEGADE 8
Put the headphones as close as possible to the small security panel on the left side of the portal. SEB ENSHJØDA
- 9** FONA
Take off and turn the headphones off while walking in. Then turn them on again, approach the different TV screens and listen to them as closely as possible – sensing the difference between Plasma, LCD and Crystal TV.
- 10** MAGASIN
Enter Magasin with the headphones turned off, then turn them on again when inside and walk slowly around in the cosmetics and perfume department. Listen closely to the lipsticks, make-up items, display and light advertisements of Max Factor, Blue Lagoon and others. Explore the world of beauty, turn the headphones off before leaving. Have a little sonic rest while waiting down Store Kildestrade.
- 11** LAM & SPAR BANK
Move your head as close to the screen of the cash machine as you can.
- 12** HELSINGØRSKIRKEN (CHURCH OF THE HOLY SPIRIT)
Enter the courtyard through the gate in Wells Hemmingsen Gade and walk slowly around the church. You might hear music, voices and other sounds. If you don't, try again later – it's worth it.
- 13** SYNAGOGUE
Go along or at down in front of the fence and listen to the sounds from inside the buildings.
- 14** BARON VON DY PASSAGE
Stop at the entrance and look at the antennas above Nørreport Station. Then slowly walk in and through the passage.
- 15** DANSKE BANK
Enter the bank through the corner entrance and listen to the sounds of the various types of bank machines in the foyer.
- 16** NØRREPORT METRO STATION
Walk down the stairs to the ticket level. Listen to the ticket machines and continue further down the escalators to the tracks. Explore the station with the trains arriving and departing. Take the lift back to street level, and cross Nørre Voldgade.
- 17** NØRREPORT STATION
Walk through the main station entrance down the stairs just after the two locks. Walk around and listen to the different ticket machines, the automatic photo-booth, the train times TV-monitors and the light/dinalling advertisement screens. Buy a two-zone ticket and continue down the stairs to the right to the S-train tracks.

- 18** S-TRAIN
Take the S-train train two stops from platform 4 to the Copenhagen Central Station. Enjoy the ride and its sounds.
- 19a** CENTRAL STATION HALL
THE HALL: Explore the hall by walking around slowly: machines, lights, screens, etc.
- 19b** BAGGAGE LOCKERS
Use the stairs down to the Rewindingsgade exit just after track 11/12 and then turn left. Walk slowly through the room along the lockers. Take the lift back to the main hall.
- 19c** MAIN TICKET SALES
Enter the ticket sales situated on the right hand side just before the Vesterbrogade exit. Position yourself near the counters where you see the employees behind glass screens. You will hear a special kind of conversation. Leave the station through the Bernstorffsgade exit. Cross the street.
- 20** TIVOLIS SPILLEHALLER (THE TIVOLI GAMBLING HALL)
(The gambling hall with direct access from the street). Take off and turn off the headphones before entering. Have a few coins ready and play on the machines with the headphones on – the older machines are especially recommended to stop in time.
- 21** ØLØHUSKIRKEN (THE TOWN HALL ARCADE)
Walk slowly through the arcade. Stop at the glass door No. 14 Vesterbrogade on your right hand side inside the arcade. Exit the Arcade and cross Rådhuspladsen (The Town Hall Square).
- 22** STRØGDET (PEDESTRIAN STREET FREDERIKSBERGGADE)
Listen closely to the red LED signs on the wall next to the Money Exchange at Fredrikberggade number 28.
- Walk slowly down Strøget back to Skindergade, through Jords Passage. Hand in the headphones at Jazz Kælderen where refreshments are available and questions about Electrical Walks Copenhagen are welcomed
